## three-couple longways

- A1 Couple 1 take inside hand and face W2. They step and honour R&L and circle L as couple 3 face M2 and do the same.
- A2 Repeat the above, couple 1 facing M2, and couple 3 facing W2 respectively.
- B1 1-8 Couple 2 stand as posts. Couple 1 cross Rsh, move down to the bottom of the set and do a half figure 8 up through the posts, ending proper at the bottom as couple 3 half 2-hand turn, lead to the top, cast back to the bottom and cross up through the posts, ending proper in top place.
  - 9-12 All set forward R&L to ptn and turn single back to place.
- B2 1-8 At the bottom, couples 1&2 do rights and lefts, 4 changes (3 each), and couple 2 cast to the bottom (couple 1 leading straight up to the middle) as couple 3 (at the top) cross Rsh and dance right round the others, crossing Lsh at the bottom, to end back in the top place.
  - 9-12 All set forward R&L to ptn and turn single back to place. (progression 312)

## Notes

- 1. The dance was a duple minor longways.
- 2. In B1&2 I have revised the timing and added turn singles.
