New man tiger

The first Man Setts to the 2d Woman, then turn single and cast off, then turn the 2d. Woman and stand Below. Then the first Woman do the same . Then both cross over the 3d Couple and single Figure; then Right and Left to the Top, then both cross up to the Top and single Figure; then Right and Left to the Bottom.

three-couple longways

- A1 First corners (M1+W2) step R & acknowledge, step L & acknowledge (6), and turn single R (6). M1 casts to the middle (M2 up after 3) and RH turns W3 not quite all the way round, ending in bottom place facing her (M3 casts up after 3).
- A2 Second corners (W1+M2) step & acknowledge L&R and turn single L. W1 casts (W2 up) and LH turns partner, ending facing him (W3 casts up).
- B1 Couple 1 cross and move up to middle place (couple 3 down) and half figure 8 <u>up</u>. The top two couples cross Rsh ('Hole in the wall'), and do 2 changes of rights and lefts.
- B2 Couple 1 cross again, move down to the middle (couple 2 up) and half figure 8 <u>down</u>. The bottom two couples cross Rsh, and do 2 changes of rights and lefts. (progression 231)

Notes

- 1. The original was a triple-minor.
- 2. In A1&2 I have involved couple 3, and in B1&2 I have added the 'Hole in the Wall' crossings.
