The first Man Sett to his Woman, and then take Hands with the second Man and turn round into his own Place, the first and 2d Woman do the like at the same Time, then the first Couple cross over into the 2d Couples Place, then all Four take Hands and lead up abreast, then the first Man cross over and go below the 2d Man, while the first Woman goes below the 2d Woman, and clap Hands, then all Four Hands and go quite round, the other Couple do the same.

longways (couple 2 improper)

- A1 Partners set R&L. Face neighbour. M1&W2 give RH, M2&W1 LH, and all balance forward and back, then RH or LH turn, couple 1 touching hands as they go down the middle.
- A2 Couple 1 cross Rsh, move down, cross again and stand between couple 2 in the middle of a line of four, facing up as couple 2 meet (4) and, after couple 1 have crossed, lead up and cast out to follow them and stand on the ends of the line. The line takes hands, moves up a double, and falls back, couple 1 bringing couple 2 in above them to reform the set.
- B1 Couple 1 half figure 8 up. All clap on beat 8 and circle L.
- B2 Couple 2 half figure 8 down. All clap as before, circle L halfway, face neighbour on the line and pass Rsh to progress.

Notes

1. The original was proper. I have added the balance in A1, the movements for couple 2 in A2, and the final pass Rsh in B2. In this revised edition I have made couple 2 improper.
2. Donawert (Donauwörth) is about 10 miles from Blenheim (Blindheim), where Marlborough decisively defeated the French on August 13th, 1704 in the War of the Spanish Succession.
