 - 5-8 The same couple turn single down and away, to end facing up. The top couple face down, and those two couples pass right shoulder with neighbour on the line.
 - 9-14 The bottom two couples face neighbour on the line and do three changes of rights and lefts, with hands, <u>as</u> the top couple two-hand turn 1 & 1/2 times.

(progression 231)

Notes

- 1. The original was a triple-minor longways.
- 2. I have added the back to back in B1 and arranged a progression.
- 3. Allemand right: stand right shoulder level with your partner, put your left hand behind your back, pass your right arm inside your partner's right arm and take their left hand in your right hand, behind their back: then turn your partner clockwise. (for allemand left, reverse these instructions)
