three-couple set

Part 1

A All lead partner up a double, and fall back. Repeat.

B1 M1 goes to W2 & LH turns her more than once, to face W3, RH turns her about 3/4, to end
in M3's place as M2 & M3 face down, M3 casts out R, followed by M2 (8), crosses the set
below W1, turns L, goes anti-clockwise round her, back to his own side to stand above M1.

B2 W1 similarly RH turns the middle man, LH turns the bottom man (partner). to end in bottom
place on her own side as W3 faces down, casts out L, followed by W2, crosses below the
top man, and turns R clockwise round him back to her own side (the set is now 231).

Part 2

A Partners side right shoulders level, then left. B1&2 As Part 1.

Part 3

A Partners arm right, then arm left. B1&2 As Part 1.

Note I have omitted the first man's back a double. I have also moved the women's movements
to the first part, and have made slight adjustments to facilitate the progression.
