Thank you for your registration for CDSS summer camp 2017

A copy of this should be attached to your acceptance Registration Status Form, detailing the registration information and status on each person on your registration. The Registration Status Form goes to only one email address per registration; if you have registered with others, please be sure to proof their information as well. It shows how you will be listed on your name tag and on the address list handed out at camp.

Rather than simply returning the form, please contact us with any specific updates and corrections to that form including your contact information, housing and job requests, your meal preferences, expected arrival time and emergency contact information. We will try to honor housing and job requests, but cannot guarantee that your request will be filled. If you don't list any preference or limitation, jobs will be assigned randomly. Family camp housing is assigned based on the age of the youngest family member. **No housing or jobs have been assigned yet** – that is done about 2 weeks before camp starts. Any note on your Registration Status Form is our note of your request; it is not an assignment.

There is more information posted on your week at: www.cdss.org/camp. From there, go to your week and look for: **For Accepted Campers**. There, you will find links to a few important pages and surveys. If we do not yet have your signed **Waiver**, please do that as well. It is available at www.cdss.org/waiver

WE LOOK FORWARD TO SEEING YOU AT CAMP!
