Thank you for your registration for CDSS summer camp

There is a series of emails going out to accepted campers. Most are sent only to the primary registrant; if that is you, please share them with your co-registrants as appropriate. At any time, you can logon at <https://cdss.force.com/commons/s/login/> to view many details about your camp registration. The various emails will remind you of your User Name; please do not create new User Accounts as they will not be connected to your registration and membership information. There, you can:

- See
 - Who is included in your registration
 - Your status (Accepted, Wait List, etc.)
 - Any balance due and the date it is due
- Edit
 - Your contact information
 - Your preferences (housing and job requests, dietary needs, etc.)

No housing or jobs have been assigned yet – that is done about 2 weeks before camp starts. We try to honor housing and job requests, but cannot guarantee that your request will be filled. If you don't list any preference or limitation, jobs will be assigned randomly. Family camp housing is assigned based on the age of the youngest family member.

There is more information posted on your week at: www.cdss.org/camp. From there, go to your week and look for: **For Accepted Campers**. You will find links to a few important pages and surveys.

WE LOOK FORWARD TO SEEING YOU AT CAMP!
