### **Thank you for your registration for CDSS summer camp 2018**

There is a series of emails going out to accepted campers. Most are sent only to the primary registrant; if that is you, please share it with your co-registrants as appropriate. The various emails will tell you:

- That you are accepted (or on the wait list) and who that includes
- Of any scholarship awards
- Your balance due date and amount
- How to check and update your contact information and preferences
- How to give us any additional information that we need

No housing or jobs have been assigned yet – that is done about 2 weeks before camp starts. We try to honor housing and job requests, but cannot guarantee that your request will be filled. If you don't list any preference or limitation, jobs will be assigned randomly. Family camp housing is assigned based on the age of the youngest family member.

There is more information posted on your week at: [www.cdss.org/camp](http://www.cdss.org/camp). From there, go to your week and look for: **For Accepted Campers**. You will find links to a few important pages and surveys.

### **WE LOOK FORWARD TO SEEING YOU AT CAMP!**
