CDSS provides services to members and affiliate groups in the U.S. and Canada. We support a variety of traditions rooted in English and North American culture; the common thread that binds them together is their celebration of human togetherness and collaboration. We believe that the traditions nurtured by our organization benefit individual health and social cohesion. These are living traditions that speak to the needs of the present. We support the innovations that naturally emerge, as we honor the past by providing historical perspective.

In order to achieve our goals, we must continue to build the strength of the organization, including implementation of technology infrastructure, expanding staff capabilities, improving governance, expanding and diversifying our financial resources, and tapping into the talents of our extended organization of members and volunteers.
