ly clap left hands first .:

First man sides with the next Wo. and his Wo. with the next man, doing the like till you come to your owne pla-
ces, the rest following and doing the same.

longways mixer, couple 2 improper

A1&A2 Partners side into line Rsh, then Lsh.

B1&B2 Take hands in long lines. All slip 4 steps to the L, and back.

C1&C2 Back to back partner Rsh.

D1 Clap own hands together, R to partner, together, L to partner, together, cross hands on chest, both hands to partner.

D2 Set R&L to partner, and move four small steps individually to the R (man's side down, woman's up, crossing over to the other line at the top or bottom of the set), passing one person of the same sex, to end facing someone of the opposite sex (new partner).

(last time: in D2, after setting, step R and honour current partner)

Notes

1. I have omitted the 'first time' up a double and back.

2. In C I have substituted back to back for fall back & move forward, and added the set in D2.
