

CALLER'S INSURANCE

Communities strengthened by dancing, singing, and making music together

CDSS is pleased to offer liability insurance to individual members who are callers within the United States. The insurance coverage period is May 1 2020 through April 30 2021; applications are accepted after May 1, but rates are not prorated - the premium remains the same throughout the year.

Callers Liability Insurance is \$65/year. There is no longer a fee for "additional insureds," and there is no need to list a venue as "additional insured" unless specifically requested by the venue. Please list the locations you need certificates for on the following page. If you need to add venues at a later date you can do so by e-mailing or calling our office.

If you are having any questions, please email sales@cdss.org or call 413-203-5467 during office hours.

INSURANCE LOCATION INFORMATION

Please provide an address for each location you would like a certificate for. You do not need to list any locations. You will still be insured and will receive an "insured copy" certificate as proof. If you need a certificate for a location at a later date, you can add one by e-mailing or calling us.

Check the bubble under the location if the venue has requested to be listed as an "additional insured." The purpose of "additional insured" is coverage for the hall or site and is not necessary unless the hall owner requests it. Some places insist on this; others don't.

If you need to list more locations, either copy this page, or e-mail us.
